Re: Daddino and Brennan v. Valley Stream CHSD, et al.,  
16-CV-6638 (JMA) (ARL)

Your Honor:

This office represents the Plaintiff in the above referenced matter. I write on behalf of all parties to make a joint request for an extension. On March 17, 2023, the Court issued an order setting pre-trial deadlines (Dkt 91). Then, on March 21, 2022, the Court issued a separate scheduling order moving the trial back two weeks, but maintain the pre-trial schedule. The parties just scheduled a private mediation for April 10. We ask that the Court move the pre-trial deadlines back two weeks to allow the parties time to focus on the mediation and save resources for a possible resolution.

We thank the Court for its attention to this matter.
